

# **Individual Performance 2017-2018**

## **Senior Shearing**

**Compiled by Doug Laing, media officer, Shearing Sports New Zealand – April 2018**

Rankings are based on points for each competitor's placings in finals, in the season starting immediately the 2017 New Zealand Championships to the end of the championships in 2018, with maxima of 12 for first in an A-grade final, 8 for first in a B-grade final, and 6 for first in a C-grade final. Rankings were first done in 1994 as a promotional tool to reflect both good performance and commitment to the shows. Presentations were made to the top-ranked competitors during the New Zealand championships in Te Kuiti.

The number before each show is the placing, the number afterwards is the ranking points. The numbers on the line of the competitor's names are the numbers of finals, wins, second placings etc
